

## Move

MercyMe

I'm not about to give up  
Because I heard you say  
There's gonna be brighter days  
There's gonna be brighter days  
I won't stop, I'll keep my head up  
No, I'm not here to stay  
There's gonna be brighter days  
There's gonna be brighter days

I just might bend but I won't break  
As long as I can see your face

When life won't play along  
And right keeps going wrong  
And I can't seem to find my way  
I know where I am found  
So I won't let it drag me down  
Oh, I'll keep dancing anyway

I'm gonna move (move)  
I'm gonna move (move)  
I'm gonna move

I've got to hold it steady  
Keep my head in the game  
Everything is about to change  
Everything is about to change

This hurt is getting heavy  
But I'm not about to cave  
Everything's about to change  
There's gonna be brighter days

I just might bend but won't break  
As long as I can see your face

No matter what may come  
Gotta move to a different drum  
No matter what life brings  
Gotta move gotta move to a different beat  
I just might bend but won't break  
As long as I can see your face

No matter what may come  
Gotta move to a different drum  
No matter what life brings  
Gotta move gotta move to a different beat
