

## Rejoice

MercyMe

Oh your people are dancing  
Oh singing and shouting  
To the one who is worthy  
Oh you are worthy  
We call upon your name  
To inhabit all our praise  
You are worthy

Rejoice, Rejoice  
Let our praises resound  
Lift up your voice  
For His grace we have found  
Rejoice, Rejoice  
That His love may abound  
Lift up your voice  
Let the nations sing out

Oh we give this offering  
To Almighty God our King  
Oh we're gonna rise and sing
