

Shine On

MercyMe

If we're to be the light
That shines for all of man
Then how can we light the way
If we don't go to them
I believe to know God's heart
Is to meet them where they are

Won't you shine on
Won't you shine on
You can shine on
Shine on

In all that's said and done
And everything you do
Just let your life glorify
The one who shines on you
I believe we worship Christ
When we show the world His light

Won't you shine on
Won't you shine on
You can shine on
Shine on

Shine on
Shine on

Won't you shine on
Won't you shine on
You can shine on
Shine on

Won't you shine on
Won't you shine on
You can shine on
Shine on
