

# The Hurt & The Healer

MercyMe

Why?

The question that is never far away  
The healing doesn't come from being explained  
Jesus please don't let this go in vain  
You're all I have  
All that remains

So here I am  
What's left of me  
Where glory meets my suffering

I'm alive  
Even though a part of me has died  
You take my heart and breathe it back to life  
I fall into Your arms open wide  
When the hurt and the healer collide

Breathe  
Sometimes I feel it's all that I can do  
Pain so deep that I can hardly move  
Just keep my eyes completely fixed on You  
Lord take hold and pull me through

So here I am  
What's left of me  
Where glory meets my suffering

I'm alive  
Even though a part of me has died  
You take my heart and breathe it back to life  
I fall into your arms open wide  
When the hurt and the healer collide

It's the moment when humanity  
Is overcome by majesty  
When grace is ushered in for good  
And all our scars are understood  
When mercy takes it's rightful place  
And all these questions fade away  
When out of the weakness we must bow  
And hear You say "It's over now"

I'm alive  
Even though a part of me has died  
You take this heart and breathe it back to life  
I fall into your arms open wide  
When The hurt and the healer collide

[x2:]

Jesus come and break my fear  
Wake my heart and take my tears  
Find Your glory even here  
When the hurt and the healer collide

Jesus come and break my fear  
Wake my heart and take my tears  
And find Your glory even here
