

The Only One

MercyMe

You alone are worthy
You alone are true
You alone are Holy
I give my all to you

You alone are righteous
You alone are wise
You alone are Beautiful
To You I lift my eyes

You are the only one that's worthy to be praised
We will worship you dear Jesus all our days
Take everything we have for your glory Lord
Make the desires of our heart not ours but Yours

Jesus the Holy blessed one
To you alone see your children run
Jesus our savior and our King
To you alone our heart and souls we bring
