

# You're Not Alone

Meredith Andrews

I searched for love when the night came and it closed in  
I was alone, but You found me where I was hiding  
And now I'll never ever be the same  
It was the sweetest voice that called my name, saying

You're not alone for I am here  
Let me wipe away your every fear  
My love, I've never left your side  
I have seen you through the darkest night  
And I'm the One who's loved you all your life  
All your life

You cry yourself to sleep  
'Cause the hurt is real and the pain cuts deep  
All hope seems lost with heartache your closest friend  
And everyone else long gone  
You've had to face the music on your own  
But there is a sweeter song that calls you home, saying

You're not alone for I am here  
Let me wipe away your every tear  
My love, I've never left your side  
I have seen you through the darkest night  
And I'm the One who's loved you all your life  
All your life

Faithful and true forever  
My love will carry you

You're not alone for I, I am here  
Let me wipe away your every fear  
My love, I've never left your side  
I have seen you through the darkest night  
Your darkest night  
And I'm the One who's loved you all your life  
All your life
