

# Crazy

Meredith Brooks

Jump in it's fine without a lifeboat  
I will give it another try  
You say come back, don't go in too deep  
But it's a rush to see me do it  
Cause you don't dare  
Even though there's nothing to it

This town's always gonna think I'm a little crazy  
Somebody's always gonna try to label me insane  
Funny how I always seem to be the one who's crazy  
I just wanna live, I don't wanna fit  
If that makes me crazy, then I am

No way I feel like nothings goin'  
My way but my future's bright  
Don't have a single dollar left  
Got my keys inside my car  
and the high way is opening wide  
You ask me where, I can't tell you  
But I'm putting town the pedal tonight

You say don't change a single thing  
But your list is longer than my day  
I can't help wondering  
When all is said and all is done  
Am I the crazy one?

I just want to live  
I don't want to fit  
I just want to try  
I don't want to quit  
If that makes me crazy, I am.
