

Blue Christmas

Merle Haggard

I'll have a blue Christmas without you
I'll be so blue just thinking about you
Decorations of red on a green Christmas tree
Don't mean a thing dear if you're not here with me.

I'll have a blue Christmas that's certain
And when my blue, blue heartaches start hurtin'
You'll be doing alright with your Christmas of white
While I'll have a blue, blue Christmas.

I'll have a blue, blue Christmas without you
You'll be doing alright with your Christmas of white
While I'll have a blue, blue Christmas...
