

# Blues Stay Away From Me

**Merle Haggard**

Blues stay away from me  
Blues why don't you let me be  
Don't know why you keep on haunting me.

Love was never meant for me  
True love was never meant for me  
Seems somehow never can agree.

Life is full of misery  
Dreams are like a memory  
Bringing back your love that used to be.

Tears, so many I can't see  
Years don't mean a thing to me  
Time goes by and still I can't be free...
