

# How Did You Find Me Here

Merle Haggard

How did You find me, how did You know  
I'd be here in this hole in the ground  
I can't even see out, over the edge  
Lookin' up from all the way down

I thought I had been left here to die  
When I saw your face appear  
What a surprise  
How did You find me here

I thought I could do it, all of it  
All by myself

I thought I could win every round  
Then I hit rock bottom, the blues, I got 'em  
And You lifted me out of my fear  
And how did You find me?

Play it, my man, play it

I thought I could do it, all of it  
All by myself

I thought I could win every round  
Then I hit rock bottom and the blues, I got 'em  
You lifted me out of my fear  
But how did You find me?

Then I hit rock bottom and the blues, I got 'em  
And You lifted me out of the fear  
But how did You find me?

Thank you, Lord
