

I Can't Get Started

Merle Haggard

I've flown around the world in a plane
Had ladies drive me insane
The North Pole I have charted
But I can't get started with you
Around the golf course I'm under par
The movies have ask me to star
I've got a house and a show place
But I can't get no place with you.

You're so supreme
Scheme just for the sight of you
Dream both day and night of you
But what good does it do.

I've got awards that hang on my wall
The White House has asked me to call
You've got me down-hearted
'Cause I can't get started with you.

You're so supreme
Scheme just for the sight of you
Dream both day and night of you
But what good does it do.

I've got awards that hang on my wall
The White House has asked me to call
You've got me down-hearted
'Cause I can't get started with you...
