

I Want To Be With You Always

Merle Haggard

I lose my blues, honey
When I'm with you
No one else can do
You're in my heart to stay.

But when I'm gone
And I'm all alone
I'll be singing a song
I want to be with you always.

I'd be happy, dear
If you could only be here
And always be near
Forever and a day.

Then we could travel far
To some big shining star
Just me and my guitar
And stay like sweethearts for always.

I hope you feel the same
You really want my name
You'll be the one who's to blame
If it works out wrong that day.

'Cause my love is true
My love is only for you
I'll never be blue
If I can be with you, always...
