I Want To Be With You Always

Merle Haggard

I lose my blues, honey When I'm with you No one else can do You're in my heart to stay.

But when I'm gone
And I'm all alone
I'll be singing a song
I want to be with you always.

I'd be happy, dear
If you could only be here
And always be near
Forever and a day.

Then we could travel far
To some big shining star
Just me and my guitar
And stay like sweethearts for always.

I hope you feel the same You really want my name You'll be the one who's to blame If it works out wrong that day.

'Cause my love is true
My love is only for you
I'll never be blue
If I can be with you, always...
