

If You Want To Be My Woman

Merle Haggard

You like ridin' in the country in my Cadillac
The way I try to kiss you keep you on and pushin' me back
You said you like a party you own the money that I earned
You refused to give me something equal in return.

Don't look at me
Like maybe you don't understand
If you wanna be my woman then you know
You've got to let me be your man.

Well, you said you're from the country but I know it ain't true
You try to play it smart and look so innocent too
You say I need a ring to get the loving that I need
Can't you give me just a simple

Don't look at me
Like maybe you don't understand
If you wanna be my woman then you know
You've got to let me be your man...
