

## Keep Me From Cryin' Today

Merle Haggard

Hold me and love me  
And tell me that you decided to stay  
At least put it off till tomorrow  
And keep me from cryin' today.

Help me make ready with the heartache  
Rhat's soon will be coming my way  
Consider how little I'm asking of you  
And keep me from cryin' today.

Keep me from cryin' today  
Help me forget in your own special way  
Let's save our goodbyes for tomorrow  
And keep me from cryin' today.

Let's save our goodbyes for tomorrow  
And keep me from cryin' today...
