I'll never swim Kern River again
It was there that I met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may drown in still water
But I'll never swim Kern River again

I grew up in an oil town But my gusher never came in And the river was a boundary Where my darlin' and I use to swim One night in the moonlight The swiftness swept her live away And now I live on Lake Shasta and Lake Shasta is where I will stay There's the South San Joaquin Where the seeds of the dust bowl are found And there's a place called Mount Whitney From where the mighty Kern River comes down Well, it's not deep nor wide But it's a mean piece of water my friend And I may cross on the highway But I'll never swim Kern River again I'll never swim Kern River again

It was there I first met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may drown in still water
But I'll never swim Kern River again

I'll never swim Kern River again
It was there I first met her
It was there that I lost my best friend
And now I live in the mountains
I drifted up here with the wind
And I may cross on the highway
But I'll never swim Kern River again
