

# Leavin's Not The Only Way To Go

Merle Haggard

Do the mornin's still come early, are the nights not long enough?

Does a tear of hesitation fall on everything you touch?  
Well, it all might be a lesson for the hasty heart to know  
Maybe leavin's not the only way to go

Maybe lyin' at your feelin's, grow accustomed to the dark  
By mornin's light, it just might solve the problems of the heart

And it all might be a lesson for the hasty heart to know  
Maybe leavin's not the only way to go

People reach new understandings all the time  
Take a second look, maybe change their minds  
People reach new understandings every day  
Tell me not to reach, babe, and I'll go away

But do the mornin's still come early, are the nights not long enough?

Does a tear of hesitation fall on everything you touch?  
Well, it all might be a lesson for the hasty heart to know  
Maybe leavin's not the only way to go

People reach new understandings all the time  
Take a second look, maybe change their minds  
People reach new understandings every day  
Tell me not to reach, babe, and I'll go away

But do the mornin's still come early, are the nights not long enough?

Does a tear of hesitation fall on everything you touch?  
Well, it all might be a lesson for the hasty heart to know  
Maybe leavin's not the only way to go
