

Nobody Knows But Me

Merle Haggard

You say I'm crazy when I look at you but
You can't tell me what to do
Let it go, lose control, get out of hand
You know I'm not an angel
I'm more of a devil
And you can't stop a rebel
You say I need help but I just don't care
You say I need love but its all in the air
Let it go, lose control, get out of hand
You know I'm not an angel
I'm more of a devil
And you can't stop a rebel
