There's a certain hill outside of town called Sam Hill And a certain guy used to go there every day They said a certain girl lived up in Sam Hill Aw, a pretty girl, not hep to city ways

This certain guy would come down the hill a smilin' Headed back to town at the crack of dawn And he had 'em all a wonderin' what he was doin' Yeah, wonderin' what in Sam Hill's goin' on

We knew this certain guy was not a goldminer Cause he never took a shovel or a pick He only took a little box of candy And disappeared in Sam Hill mighty quick

We tried to follow him to his destination
But he had a secret path and soon he was gone
And he had us all a wonderin' what he was doin'
Yeah, wonderin' what in Sam Hill's goin' on

I know that you have wondered too about Sam Hill You've probably asked "What in Sam Hill's goin' on?" All I can say in answer to your question Is the goin's on are still goin' on

This certain guy's still takin' up his candy
He's 99 and all his youth is gone
But he climbs that hill and still comes down a smilin'
And we're wonderin' what in Sam Hill's goin' on
Wish I knew
What in Sam Hill's goin' on
He won't tell us'
What in Sam Hill's goin' on
He just snickers
What in Sam Hill's goin' on
