

# Stay A Little Longer

Merle Haggard

Biffy on the drums and Dennis, you on the bass  
When I count this off, ya'll give me a little Texas  
Playboy type rhythm, okay  
One, two, three four

Gather round friends, why hurry  
Let's all stay a little longer

Ya oughta see my blue eyed Sally  
She live way down on Shinbone Alley  
The number on the gate, the number on the door  
The next house over is the grocery store  
Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why ya don't stay a little longer

Georgie French on the piano  
Good mornin' Joe

Can't go home if you're goin' by the mill  
'Cause the bridge washed out at the bottom of the hill  
The big creek's up and the little creek's level  
I plow my corn with a doubled shovel  
Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why ya don't stay a little longer  
That's Tiny Roy  
Hey

Sittin, in the window singin' to my love  
Slop bucket fell from the window up above  
Mule and grasshopper eatin' ice cream  
The mule got sick so they laid him on the green  
Stay all night, stay a little longer  
Dance all night, dance a little longer  
Pull off your coat, throw it in the corner  
Don't see why ya don't stay a little longer

Grab your gal and pat her on the head  
If she don't like biscuits feed her corn bread  
If the girls don't  
They jump on a man like a dog on a bone  
Stay all night, stay a little longer  
Dance all night, dance a little longer
