Take These Chains From My Heart

Merle Haggard

Take these chains from my heart and set me free You've grown cold and no longer care for me All my faith in you is gone but the heartaches linger on Take these chains from my heart and set me free

Take these tears from my eyes so I can see Just a spark of the love that used to be If you love somebody new, let me find somebody too Take these chains from my heart and set me free

Give my heart just a word of sympathy Be as fair to my heart as you can be Then if you no longer care for the love that's beating there Take these chains from my heart and set me free

Take these chains from my heart and set me free You've grown cold and no longer care for me All my faith in you is gone but my heartaches linger on Take these chains from my heart and set me free
