The Seeker

Merle Haggard

I am a seeker a poor simple creature There is none weaker than I am I am a seeker and you are a teacher You are a reacher so reach down Reach out and lead me guide me and keep me In the shelter of your care each day I am a seeker and you are a keeper You are a leader won't you show me the way.

I am a vessel that's empty and useless I am a bad seed that fell by the way I am a loser that wants to be a winner You are my last hope don't turn me away I am a seeker a poor simple creature There is none weaker than I am I am a seeker and you are a teacher You are a reacher so reach down.

Reach out and lead me guide me and keep me In the shelter of your care each day I am a seeker and you are a keeper You are a leader won't you show me the way Hey you are a mountain from which there flows a fountain So let its water wash my sins away Cause I am a seeker and you are a teacher You are a leader won't you teach me the way...
