

# The Sunny Side Of My Life

Merle Haggard

Oh the sunny side of my life is the side you're living on  
Grey skies never come when I'm with you  
Good times hang around only when you're here at home  
The sunny side of my life is here with you

Standing at my window watching raindrops hit the ground  
Countin' up the days you've been away  
It's lonely here without you and the blues had got me down  
Come on home and brighten up my days

Oh the sunny side of my life is the side you're living on  
Grey skies never come when I'm with you  
Good times hang around only when you're here at home  
The sunny side of my life is here with you

Sittin' on a park bench with the funnies in my hand  
Trying hard to laugh at what I see  
The sunny side of my life is shining somewhere else  
Nothing's quite the way it ought to be

Oh the sunny side of my life is the side you're living on  
Grey skies never come when I'm with you  
Good times hang around only when you're here at home  
The sunny side of my life is here with you
