

There I've Said It Again

Merle Haggard

I love you, there's nothing to hide
It's better than burning inside
I love you, no use to pretend
There I've said it again

I've said it, what more can I say
Believe me there's no other way
I love you and I will till the end
There I've said it again

I've tried to drum up a phrase that would sum up
All that I feel about you
What good are phrases, a thought that amazes
If you love me and it's heavenly

Forgive me for wanting you so
But one thing I want you to know
I love you and I will till the end
There I've said it again

I've tried to drum up a phrase that would sum up
All that I feel about you
What good are phrases, a thought that amazes
If you love me and it's heavenly

Forgive me for wanting you so
But one thing I want you to know
I love you and I will till the end
There I've said it again
