

Time Changes Everything

Merle Haggard

There was a time when I thought of no other and we sang our own
love's refrain
Our hearts beat as one and we had our fun but time changes ever
ything
When you left me my poor heart was broken our romance it seemed
all in vain
The dark clouds're gone and there's blue skies again
Cause time changes everything

Time has passed I've forgot you mother nature does wonderful th
ings
I guess that it's true for me and for you cause time changes ev
erything
You change the name of an old song rearrange it and make it a s
wing
I thought nothing could stop me from loving you but time change
s everything
Good luck to you may God bless you I can't say I won't love aga
in
But you go your way and now I'll go mine cause time changes eve
rything
