

Where No One Stands Alone

Merle Haggard

Once I stood in the night with my head bowed low
In darkness as black as the sea
In my heart felt alone and I cried oh Lord
Don't hide your face from me.

Hold my hand all the way every hour every day
From here to the great unknown
Take my hand let me stand
Where no one stands alone.

Like a king I may live in a palace so fine
With great riches to call my own
But I don't know a thing in this whole wide world
That's worse than being alone.

Hold my hand all the way every hour every day
From here to the great unknown
Take my hand let me stand
Where no one stands alone...
