You've Still Got a Place In My Heart

Merle Haggard

If the one you'd think is true ever turns his back on you You've still got a place in my heart If every road you take proves you've made a big mistake Baby you've still got a place in my heart.

If I'm a fool to pray that you'll come back some day Well then I'll know of million fools that love has turned that way If the years should make you cry don't go on and live a lie Baby you've still got a place in my heart.

If the years should make you cry don't go on and live a lie Baby you've still got a place in my heart...
