

Inside your eyes
I'm out of depth, it makes me cry
Your words, your purpose
Insecure, it makes me nervous

You must be some kind of goddess
You're just so perfect you're flawless

(Flawless)
Why are you with me?
I wish I knew your mind
I'm just not good enough for you
You're just too good for me
What is it you see?
It makes no sense at all
I'm just so ordinary
That makes you ordinary too

That makes you ordinary too

My time, I'd have it over
I would be the perfect lover
Your face is cut like crystal
My fate's a loaded pistol

You must be some kind of goddess
You're just so perfect you're flawless

(Flawless)
Why are you with me?
I wish I knew your mind
I'm just not good enough for you
You're just too good for me
What is it you see?
It makes no sense at all
I'm just so ordinary
That makes you ordinary too

(Flawless)
I wish I knew your mind
I'm just not good enough for you
You're just too good for me
What is it you see?
It makes no sense at all
I'm just so ordinary
That makes you ordinary too

If I could see myself on screen
Am I the fool of the piece?

(Flawless)
Why are you with me?
I wish I knew your mind
I'm just not good enough for you
You're just too good for me
What is it you see?
It makes no sense at all

i'm just so ordinary
That makes you ordinary too

(Flawless)
I wish I knew your mind
I'm just not good enough for you
You're just too good for me
What is it you see?
It makes no sense at all
I'm just so ordinary
That makes you ordinary too

That makes you ordinary too
