

Closed Eye Visuals

Meshuggah

Unbound to the pale and lifeless day by the
multicolored, multiform
A spinning antidream unthought. -Exceeding the
obsolete reality
Overheated inner shape-generator. Blowing every
cerebral fuse
Insanity filtered and systematized. -Feeding the
tools of mind abuse

Mind-signal transmission peaked, distorted, bent,
unrestrained
Neuroreceivers shortcircuit. System parameters
over-gained
Nervethreads decoding the stream of the
reality-inverting revolution
The patterned untruth of non-dream: The closed eye
visual delusion

A frantic cellular race down the switchbacks of mind
Throttling the existence-engine. A propulsion beyond
all limit lines
Convulsive thrusts of septic energy as infected cells
collide
Unleashing the video-bacterial disease. The
sinew-conducted pseudo-vision

Mind-signal transmission peaked, distorted, bent,
unrestrained
Neuroreceivers shortcircuit. System parameters
over-gained
Nervethreads decoding the stream of the
reality-inverting revolution
The patterned untruth of non-dream: The closed eye
visual delusion

Self unfolds like a disintegrating dream. All
revealed but the sinister cause
My lying eyes come apart at the seams. Still how
could I ever regret the loss

The self transformed into wave lengths
-Reverberating this unyielding dream. Lost in this
greedy illusion
I'm forever devoured by the closed eye visual delusion

A twirling visual overload - Explosions of terror and
beauty
Colors of fear and pain within clash into unanything
(A spectra-organic frenzy setting fire to the
neuro-highways of mind
Revolving me away from time. A soul now rendered
unassigned)
