Closed Eye Visuals

Meshuggah

Unbound to the pale and lifeless day by the multicolored, multiform A spinning antidream unthought. -Exceeding the obsolete reality Overheated inner shape-generator. Blowing every cerebral fuse Insanity filtered and systematized. -Feeding the tools of mind abuse Mind-signal transmission peaked, distorted, bent, unrestrained Neuroreceivers shortcircuit. System parameters over-gained Nervethreads decoding the stream of the reality-inverting revolution The patterned untruth of non-dream: The closed eye visual delusion A frantic cellular race down the switchbacks of mind Throttling the existence-engine. A propulsion beyond all limit lines Convulsive thrusts of septic energy as infected cells collide Unleashing the video-bacterial disease. The sinew-conducted pseudo-vision Mind-signal transmission peaked, distorted, bent, unrestrained Neuroreceivers shortcircuit. System parameters over-gained Nervethreads decoding the stream of the reality-inverting revolution The patterned untruth of non-dream: The closed eye visual delusion Self unfolds like a disintegrating dream. All revealed but the sinister cause My lying eyes come apart at the seams. Still how could I ever regret the loss The self transformed into wave lengths -Reverberating this unyielding dream. Lost in this

greedy illusion $\ensuremath{\texttt{I'm}}$ forever devoured by the closed eye visual delusion

A twirling visual overload - Explosions of terror and beauty Colors of fear and pain within clash into unanything (A spectra-organic frenzy setting fire to the neuro-highways of mind Revolving me away from time. A soul now rendered unassigned)
