

2000 Miles

Mest

Did I miss your call again?
No, you never called it was a thought inside my head.
Did I take the fall again?
I shoulda payed attention to all the words you said.

Cause I lost today.
I'm not okay.
Heartbreak, a fake smile, and 2000 miles.

I check my caller Id.
Now there's every number but the one I want to see. I've been falling apart.
Since you been gone I don't know where I need to start.

Cause I lost today.
I'm not okay.
Heartbreak, a fake smile, and 2000 miles.
Away she is. I can't live like this.
Heartbreak, a fake smile, and 2000 miles (2x).

If i told you that I love you,
would it matter at all?
if i told you that I need you,
would you catch me if I fall? Fall

Cause I lost today.
I'm not okay.
Heartbreak, a fake smile, and 2000 miles.
Away she is.
I can't live like this.
Heartbreak, a fake smile, and 2000 miles (2x).
