

Electric Baby

Mest

There's two loves that I have in this world
My electric guitar, my electric girl
I love them both so much and I hope that they see
Without one of them it wouldn't be me

Cuz I wanna hold you
That's all I really wanna do
Cuz I wanna hold you
That's all I really wanna do

Well I would do anything for you
At the drop of a dime
Cuz when I feel lost
I feel find knowing that your mine

Cuz I wanna hold you
That's all I really wanna do
Cuz I wanna hold you
That's all I really wanna do

I'm alone without you
I feel lost I dont know what to do
In this life I won't stay
If you choose to run away
Dont run away
I need you to stay

I've got four words running through my mind all the time
I've got four words running through my mind all the time
I've got four words running through my mind all the time

Cuz I wanna hold you
That's all I really wanna do
Cuz I wanna hold you
That's all I really wanna do

Don't run away
I need you to stay
So don't run away
I need you to stay
