

Forget You

Mest

What went on last night
Was it just another stupid fight
Will we be again
Or will we both regret this in the end

Why can't I forget you and everything you do
It's so hard to do
Why can't I forget you and everything you do
It's so hard to do

Consider me your friend
Until you do that stupid shit again
I believed all you told
Then you left me hanging out so cold

Why can't I forget you and everything you do
It's so hard to do
Why can't I forget you and everything you do
It's so hard to do

Why can't I forget you and everything you do
It's so hard to do
Why can't I forget you and everything you do
It's so hard to do
Why can't I forget you and everything you do
It's so hard to do
