

# Forget You

Mest

What went on last night  
Was it just another stupid fight  
Will we be again  
Or will we both regret this in the end

Why can't I forget you and everything you do  
It's so hard to do  
Why can't I forget you and everything you do  
It's so hard to do

Consider me your friend  
Until you do that stupid shit again  
I believed all you told  
Then you left me hanging out so cold

Why can't I forget you and everything you do  
It's so hard to do  
Why can't I forget you and everything you do  
It's so hard to do

Why can't I forget you and everything you do  
It's so hard to do  
Why can't I forget you and everything you do  
It's so hard to do  
Why can't I forget you and everything you do  
It's so hard to do
