Your kiss is torture

One, two, three A tragedy that's built on destiny It left you with everything but Blood from the knife that I cut your heart out with Now relax, close your eyes, what comes next is the surprise This valentine is doomed The smell of blood has filled this room If I could do it all again I would change most every single thing I would let you Kiss me Kill me Your kiss is torture But killing me would be too easy Our tragedy Seems to be killing everything it sees Like death itself This valentine still looms In the darkest hour, the killing moon If I could do it all again I would let you Kiss me Kill me Your kiss is torture But killing me would be too easy Kiss me (You're all I'm wanting) Kill me (This feeling's haunting) Your kiss is torture But killing me would be too easy Killing me would be too easy Your eyes unwind the tragedy of our lives My eyes went blind Believe when I say Hell burns bright When this night dies Hell burns bright Kiss me Kill me Your kiss is torture But killing me would be too easy Kiss me (You're all I'm wanting) Kill me (This feeling's haunting)

But killing me would be too easy

Kiss me (You're all I'm wanting)
Kill me (This feeling's haunting)
Your kiss is torture
But killing me would be too easy

Killing me would be too easy

Too easy, too easy, too easy, too easy
