Mest

Let's go it's so funny sometimes what you see  
it really blows my fuckin' mind  
please tell me what are you trying to be  
it really blows my fuckin' mind  
who are you trying to be who are you following now  
who are you trying to be who are you following now

Quit trying to be something you're not  
it only makes me laugh  
quit trying to be something you're not  
it's your real friends that you forgot

Image of you it makes me sick  
I laugh out loud you probably think I'm a dick  
but I don't really care what the fuck you say  
I'll always be myself and I'll always be that way  
who are you trying to be who are you following now  
who are you trying to be who are you following now

Quit trying to be something you're not  
it only makes me laugh  
quit trying to be something you're not  
it's your real friends that you forgot

Who's that on the corner is it really you  
let me ask you one thing what are you trying to prove  
please please please tell me what you're do  
please please please tell me what you're trying to prove  
please please please tell me what you're do  
please please tell me what you're trying to prove

Quit trying to be something you're not  
it only makes me laugh  
quit trying to be something you're not  
it's your real friends that you forgot
