

# Wasting My Time

Mest

I've waited I'm lonely  
You faded I'm jaded  
Trying to hold on to  
The things that were once mine  
There's too much time  
Wasting my time

My mind goes blank I can't think  
Of nothing but you  
I've waited I'm lonely  
You faded I'm jaded  
There's too much time  
Wasting my time

And it seems we're miles away (Miles away)  
When will I see you again  
And it seems that I don't want to stay (I don't want to stay)  
When will I see you again

And are you thinking about me  
Or do you want to be free  
Just tell me and I will  
Let you go  
There's too much time  
Wasting my time

And it seems we're miles away (Miles away)  
When will I see you again  
And it seems that I don't want to stay (I don't want to stay)  
When will I see you again

There's too much time (And all I know)  
I'm in a fucked state of mind (I can't let go)  
there's too much time (And all I know)  
I'm in a fucked state of mind (I can't let go)

And it seems we're miles away (Miles away)  
When will I see you again  
And it seems that I don't want to stay (I don't want to stay)  
When will I see you again  
When will I see you again  
When will I see you again
