

## Western Alliance

## Metal Church

Obtain a cloak of power  
That brings us all genocide  
The further stands before the masses  
Malevolence inside

Truth to falsify  
Poisoning their minds  
Hell is on the rise  
The west must now align

Perceive what is right  
Rush headlong into the fight  
No way you'll take their lying  
Their way of life is dying

Truth to falsify  
Poisoning their minds  
Hell is on the rise  
The west must now align

Facing on us their will  
Now's the time for us to kill  
Invasion is the only answer  
Infecting us like cancer
