

Legion of Grey

Metal Inquisitor

Illuminated life running out of time
Dignity is standing last in line
Manic sounds around,
Scream will touch the ground
Impulse is coming faster - master of disaster

Paratroops landing
- Colours denied
Peace and order restored
Mission accomplished by
The legion of grey

Powerful salvation, items of creation
Following the mainstream like a vane
Utility they've found
Forever equal crowd
Escalate eruption
Erupting escalation

Paratroops landing
- Colours denied
Peace and order restored
Mission accomplished by
The legion of grey

The start of mass starvation through
The end of resurrection
The final march of driving all insane
The unified sound, the legion's to be proud
Ultimate destruction, endless devastation

Paratroops landing
- Colours denied
Peace and order restored
Mission accomplished by
The legion of grey
