

Persuader

Metal Inquisitor

A blissful feeling - I am on edge
My head reeling - Abnormal sledge
A coast on black tide - Two-handed sword
Teeth in flesh-side - I swore an oath

Withdraw your beliefs
Realise the promise land
We'll thraw around the seed
Turn into the final stand

Follow my rules, come to my court
Breaking my laws then you'll die by my sword
Far from good sense, fanatics you'll see
From this time forward you'll service me!

Out of my hand - Free from sin
Retaliation - Detached skin
Turn the main switch - New for old
Free the deaf bitch - One and bold

Withdraw your beliefs
Realise the promise land
We'll thraw around the seed
Turn into the final stand

Follow my rules, come to my court
Breaking my laws then you'll die by my sword
Far from good sense, fanatics you'll see
From this time forward you'll service me!
