

# Take Revenge

Metal Inquisitor

All for one and one for all  
looking at the tv screen  
horrified of things you've seen

Damage case people died  
no sanctuary anywhere  
devastation everywhere

Bridge  
hunt , guilty men  
down , in a strange land  
punish , responsible  
bring , them to justice

take revenge on , to get an advance  
take revenge on , your enemy  
take revenge on, tha nasty aasault  
take revenge on ,annihilate  
annihilate again

No more thoughts  
brain :off line !  
substitute by emotions  
easy foud : wrong solutions

In the end  
nothings right  
propaganda you cold see  
round the clock on tv  
bridge
