

The Duke

Metal Inquisitor

There is a man , swimming in madness
protected by darkness, call him the duke
passion in metal , denim and leather
king of barbarian, obsession with blood

Nearly six feet tall , shoulders of steel
teeth like a vampire , how do yoy feel ?
hungry and thirsty, on every crew slut
counting to three , jump on the tree

Laughing while snapping her tits
shouting and slavering
i'll give it to ve

Something god makes mistakes
missing link gets ve
sucks you and eats you raw
the wolf is back

imagination, werewolf and klingon
cannibalism, cadaver drag down
saliva is flowing , dick is pulsating
once you've seen it , you are damned

He bangs down the dance floor
never show mercy
cut down the innocent
right on their knees
don't fear the slaughter
don't fear the murder
don't fear the ripper
just fear the duke
