

## Watch the Phoenix Die

Metal Inquisitor

Sacred in the night  
in the prision of fright  
down from a secured sky

Hope seems alight  
no peace is in sight  
watch the phoenix die

wihout skin  
nightmare just begins  
hollow fear , weird pain

Spelled life  
the reason of survive  
redemption is conquered by hell

Wrath coming , watch out  
wrath coming , somewhere in the cold  
wrath coming , watch out  
wrath coming , darkness sending gainful  
messengers

Holding on  
once again  
take the time, look around

Rescue's in vain  
the triumph of pain  
watch the phoenix die
