

Watch the Phoenix Die

Metal Inquisitor

Sacred in the night
in the prison of fright
down from a sacred sky

Hope seems alight
no peace is in sight
watch the phoenix die

without skin
nightmare just begins
hollow fear , weird pain

Spelled life
the reason of survive
redemption is conquered by hell

Wrath coming , watch out
wrath coming , somewhere in the cold
wrath coming , watch out
wrath coming , darkness sending gainful
messengers

Holding on
once again
take the time, look around

Rescue's in vain
the triumph of pain
watch the phoenix die
