

Night Of The Wolf

Metal Law

I'm on my way through the wood
And I feel that it's time
The moon shines bright, I feel the might
That he brings me through the night

I run along the depths of the dark
Something in me, that is awakened
The beast of the night, terrorize
That's what I am and I don't mind

I'm not the one
Fall deep in that dream
I'm alone on my way
In the night - in the night of the wolf

In the night of the wolf
I'm not the one
In the night of the wolf
Fall deep in that dream
In the night of the wolf
I'm alone on my way
In the night of the wolf

The morning arrives and I realized
It is no dream, but the truth
In the night of the wolf, I'm rather alone
But I hope, that it will never be

In the night of the wolf
I'm not the one
In the night of the wolf
Fall deep in that dream
In the night of the wolf
I'm alone on my way
In the night of the wolf
