

## Astral Avatar

**Metalium**

The Metalian ... He who has survived all tasks...  
He who has abolished conformity...  
He who has been true to his dream ...  
and loyal to... PURE... METAL!

Still missing...

Her ... She.... Womb of the earth...  
Creator of all life .. Key to completeness  
Spread into parallel universes... Long ago ... to find ... HIM.  
.. ON THE  
OTHER SIDE  
Dreams might tell the future... who knows ?  
Visions getting clearer ... as the legend continues  
of the ... NEW...BORN... METALIANA
