At Armageddon

Metalium

If you don't feel
If you don't mind
What's wrong or what's right
Straight out of hell
It will get to you
At armageddon you will see me, too

"Give and take" that's what they call the
NAME OF THE GAME
My inner core will never change, it
REMAINS THE SAME
If you don't get what I say, there's
NO ONE TO BLAME
It's up to you, don't be afraid.
I WON'T GO INSANE

Don't you think it gets me down
Wasting my time
Earning the dirt instead of the crown

Straight out of Hell
HELL
And there's nothing you can tell
It happened to me, it happened to you
But at Armageddon you will see me, too

You don't wanna hear the others truth
WHAT'S WRONG OR WHAT'S RIGHT
If you go on you never will
IT'S OUT OF SIGHT

Don't you think it gets me down
Wasting my time
Earning the dirt instead of the crown

Straight out of Hell
HELL
And there's nothing you can tell
It happened to me, it happened to you
But at Armageddon you will see me
Straight out of Hell
HELL
And there's nothing you can tell
It happened to me, it happened to you
But at Armageddon you will see me, too

At Armageddon you will see me, too!
