## **Burning**

Metalium

I hear a rock'n'roll guitar, screamin' wild on the radio Well, I know what I like, know and it's right Gotta take me through the night

The sound is comin' out, it's breakin' down the doors like an earthquake Explodin' your brains, Do it again, power is a natural right

I say, hey Rock'n'Roller, power in your hands You and your music, right on rockin' man

You gotta hear it for a while, it bowls you over, like dreamin' Oh, hell what a night, keep a rockin' on night Hey, boy can't you see the light

I say, hey Rock'n'Roller, power in your hands You and your music, make me rockin' mad

Burning, burning, burning just like fire Burning, burning, a rock'n'roll desire Burning, burning, burning just like fire Burning, burning, burning just like fire

I say, hey Rock'n'Roller, power in your hands You and your music, make me rockin' mad

Burning, burning, burning just like fire Burning, burning, burning just like fire

I say, hey Rock'n'Roller, power in your hands You and your music, make me rockin' mad

Burning, burning, burning just like fire Burning, burning, a rock'n'roll desire Burning, burning, burning just like fire Burning, burning, burning just like fire
