

No one can stop the wheels of time
And if you dare to you'll be left behind
The future is now - is this the deal ?
fiction is real
You throw your life away - you're just living for the
things that don't exist
You live a lie - you don't see that you're dismissed

And now you start to suffer
You have to pay the price
Already lost the balance
You realize

Cyber horizon
Is it worth dying for?
Communication denied
A world in silence
Break out forevermore
Reset your mind - tear down the wall
Cyber horizon encircles us all

Don't lose your soul
Don't lose your mind - don't lose control
Don't you rely on something unreal
Stand your man
stand the temptation if you can
don't lose your mind, don't lose your soul, don't lose
control

And now you start to suffer
You have to pay the price
Already lost the balance
You realize

Cyber horizon
Is it worth dying for?
Communication denied
A world in silence
Break out forevermore
Reset your mind - tear down the wall
Cyber horizon encircles us all

Don't lose your mind
Don't lose your soul
Don't lose control
