I'm Through The Ring
I've Seized The Power
Anticipate The Taste Of Valour
I'm On The Move
Chrome Covered In My Armour
Endowed With Skill I Seek My Target
I Wheel The Sword It's Blade Of Light
Evil Cannot Match My Own Conviction

Free Forever
Come Together
Fight For Splendour
We'll Rule The Universe

Honour And Truth Become Eternal
Communion With Utopia
We Overthrow And Crush The Infernal
We Right The Wrong Through Brotherhood
A Privileged To Be Understood
But Fear The Weakest Link In Our Existence

Free Forever
Come Together
Fight For Splendour
We'll Rule The Universe
